あなたに愛と平安と祝福が届くように

Happy is he who has the God of
Jacob for his help,
Whose hope is in the LORD his God,
Who made heaven and earth,
The sea, and all that is in them;
Who executes justice for the oppressed,
Who gives food to the hungry.
The LORD gives freedom to the prisoners.

Psalms 146:5~7

☆Sachiko Hanamaki member

I got butterflies in my stomach for everything, but had a peaceful mind that I was under the prayer covering of my spiritual family and that God will guide everything.

I would like to make use of whatever I experienced in my life of faith!

☆Satomi Nagoya member

When in Japan, my mind was only on my church in Japan. There are not many chances that we recognize ourselves as AMI JAPAN.

But going to South Africa, and meeting AMI from all over the world, made me realize that we are AMI JAPAN.

Also, I felt that thought we are still a small church, AMI from all over the world takes notice of AMI JAPAN.

☆Yoko Osaka member

I realized, looking at the strong grasping faith of the people from other countries, that my faith was just in a small frame and was just a faith receiving. It became a great turning point for me to learn the importance of grabbing myself, and to tell others from myself!

I would like you to also realize and learn many things at IVP.

☆Yuki Osaka member

I was filled with thankfulness, and began to have a stronger feeling seeking God myself. And realized the importance of spiritual covering, by experiencing the high intensity that cannot be experienced through the screen. God's presence was awesome! I would like everyone to join.

**You will also declare a thing,
And it will be established for you;
So light will shine on your ways.
Job22:28**
